Complete Aluminium Solutions (Profiles + Hardware)

- From premium profile sections to all hardware, we deliver fully integrated solutions.

Advanced Surface Finishing

- Premium colour anodizing, powdercoating, glossy finishes, chromeplating, and custom finishing solutions for high performance.

Why Choose Khidkie™

1 Your Complete Aluminium Partner

With Khidkie™, you don't have to manage multiple suppliers. You get everything under one roof: every aluminium profile, every hardware, every surface finishing service, all from one reliable and trusted place.

2 Designs Ke Daddy

One of India's widest and most uniquely engineered aluminium profile collections — over 1100+. At Khidkie™, we craft aluminium profiles that feature exclusive designs built from our own custom-engineered dies with precision, advanced CAD-backed engineering, and a deeply systematic approach — profiles you simply won't find anywhere else in the market. **We had developed designs that went on to set market trends.**

3 Surface Finishing That Elevates Your Work

Our range of premium finishing options — colour anodizing, powder coating, chrome plating, as well as custom finishes — give your projects a refined, premium edge your customers instantly notice.

4 PAN-INDIA Delivery

Wherever you are in India, Khidkie™ reaches you. No location too far. No order too small or too big. Khidkie™ reaches you with the same care and reliability.

5 We don't just supply, we support your Business.

Your project deadlines, your client promises, your business name — we protect it like our own. Fast dispatch, reliable packaging, and timely delivery make sure you never lose a client because of material delays.

6 + Years of Experience
25000 + Projects Completed
3000+ Clients
15 + States Served
